Built of logs by 24 July 1866

Location: in center of Fort Heber

Architect  
Surveyor

Supervisor of Construction  
Builders

Description  
stage on west

used from <sup>24 July</sup> 1866 to at least 20 Aug 1867

They were going to build a boozery to celebrate the coming of Pioneers into SL Valley.

John Murray Murdoch, a professional Scotch Shepherd, said: "With very little more effort we can build a Building for many uses" so they built this log structure & a fireplace in each end

 = benches
